

Running for hover

ANDREA ROTH /STAFF

lick Chiampa, right, and Tate Delloye, center, put on headphones so they can hear the captain's instruction during their ride on Hovercraft II out of Long Beach. The pair are part of Teri Tsosie's class, which built a hovercraft at Hermosa Valley School.

Above, Hovercraft II rises on pontoons before setting out on a cruise around Long Beach Harbor. Left, Capt. Fred Soren of Rainbow Hovercraft, gets
