BIOGRAPHY

LEE GOULD

General Manager, Designer HomeTending, Boise

Lee Gould joined Designer HomeTending in 2006, bringing with her more than 20 years of marketing, service, and business operations experience working with Fortune 500, medium and start-up businesses. As a former client who used the company's services, Gould joined DHT and moved from a part-time role generating new business to her current role of general manager in charge of complete operations for the Boise market.

Gould graduated with a BS degree in Business Administration from Pepperdine University in Malibu, California. Gould's career includes leading a team of professionals in providing award-winning customer service to members of a large San Joaquin Valley regional health plan. She also served as senior account manager for a private graphic design company in the Silicon Valley, helping the company rapidly expand into a full-service marketing communications agency. Since moving to Idaho in 1994, she's continued in managerial roles building phone and web-based customer service teams, deploying custom web sites for large corporations, leading service delivery and process development for an international direct sales company, and assisting small business owners in finding new business partners through a sophisticated on-line prospecting system. Throughout her career, Gould has earned numerous awards in recognition of her dedication to quality service.

Gould and her husband, Tom, partner in the operations of Designer HomeTending of Boise, and are also Realtors® with Windermere Real Estate/Capital Group in Eagle. Her passion for all aspects of home buying, selling, and staging are served well through her strong service, real estate and business experience.

Designer HomeTending is the leading hometending company in the United States and provides a no-cost service that assists the owners of vacant homes by providing experienced and pre-qualified live-in managers to care for homes while on the market. The company has offices in Boise, Los Angeles, Salt Lake City, Denver, and Las Vegas.
